RE: Open Records Request (19-0407)

Dear Marissa Jones:

You requested a copy of any and all information regarding the 2016 disappearance of Lori S Feltz, pursuant to the provisions of the Kentucky Open Records Act. This information is part of an investigation that is still open; accordingly, your request is denied pursuant to KRS 17.150(2)(d), which states that records of law enforcement agencies are exempt from disclosure through the provisions of the Open Records Act until such time as prosecution is completed or declined, and 61.878(1)(l), which states that records made confidential by another Act of the General Assembly shall remain exempt from disclosure through the Open Records Act. Premature release of any records related to an ongoing investigation in a public forum could result in prejudice to the witnesses and may adversely affect their recollection of the events. Prior to submitting another request to this office for this information, I recommend you contact the Post 6 Records Clerk at (859)428-1212 to determine if the case has been closed.

In accordance with KRS 61.880, if you so request, the Attorney General will review this action and issue a written opinion to this agency stating whether we have acted consistently with the provisions of the Kentucky Open Records Act.

If the Kentucky State Police can assist you further please let me know.

Sincerely,

Stephanie A. Dawson
